TAXNET PRO

NEWSLETTERS ON TAXNETPRO

[Newsletters on Taxnet Pro](#) are a valuable source of information for the busy Tax Professional who may not be able to keep up with the daily flow of new information. They provide context and analysis of the latest changes and developments in the world of tax.

On Taxnet Pro there are a growing number of newsletters on a wide range of subject areas within Tax. General tax newsletters such as Tax Hyperion and Tax Times discuss recent developments in tax law and policy. Taxnet Pro also offers specific newsletters on topics such as transfer pricing and indirect taxation. Our newsletters are written by both in house tax experts as well as leading authorities from within the tax community. This diverse source of contributors ensures that each newsletter provides in-depth analysis of the topics of interest and relevance to its readership.
