# Welcome to an enhanced APFF experience on Taxnet Pro™

Taxnet Pro™ brings a remarkable intelligence and ease of use to your research. We transform great information into smart information you can actually use to make better decisions.

We've given the renowned APFF Collection the Taxnet Pro touch. The APFF Collection is a recognized compilation of French-language commentaries prepared by experts for tax, financial & estate planning professionals. Our new APFF Centre gives you easy access to the entire collection from one convenient landing page. You'll find all the documents efficiently organized by subject area and type. And you can use Quick Search, the Table of Contents or Search Templates to quickly find individual documents. Plus we've added lots of extras that enhance your research – document summaries, convenient links to related content in Taxnet Pro, and informative author biographies.

Making information meaningful to you is our specialty. You'll spend less time looking for information and more time doing something with it.

## **The APFF Centre on Taxnet Pro is designed for you**

Whether you're looking for a specific APFF document – or information on the latest developments and events – you'll find it quickly using the conveniently organized home page of the APFF Centre.
