Intuitive search and filtering tools slash research time and effort

- Choose a continuous-scroll reading mode which tracks your location by section in a linked Table of Contents
- Access cross-references from within the reference text or by using intuitive tabs, which break down references by cases, legislation, government documents and more
- Narrow your searches with specific results within your reference library, or include cases, government documents, legislation, and commentary
- Refine searches further using Pinpoint Searching, Search Within Results, Related Terms, customizable search templates, and more
- Zero-in on the most relevant results from a table showing how your search hits are distributed
- Build a research file of relevant clippings using Copy with Reference
- Zero-in on tax news by topical area and date using TaxNews Grid
- Trust you're using the latest updates and commentary – automatically updated and integrated into your online reference

Now, with Taxnet Pro's new Reference Centre, you're never more than a click or two away from relevant expert commentary on all major tax and accounting topics.
